

UPS Hackathon 2023

Team 35

Rushda Mansuri, Sanjeet Vindd Jain,
Srujana Endreddy, Muthu Arunachalam,
Hayshit Garg

Header & Footer

- Header and footer will be similar to what UPS website already has but with few changes

Instead of social handles under "Other sites", we will have these instead:
"Global Home, "Terms and conditions, Privacy Notice, Protect Against Fraud"

Home Page

This is the landing page

→ This is the banner that every page will have

My UPS Rewards

Ship and Earn Your Rewards

UPS
Truck

Begin your
journey with
My Choice UPS

Rewards
Image

earn your
rewards from
a variety of
merchandise

How To Earn Rewards

Become environmentally conscious by reducing carbon footprint and with every shipment with UPS, earn rewards in return!

Image that
shows carbon
footprint applied

Image of
carbon neutral

By choosing the option
that applies carbon
footprint, you are being
environmentally friendly
as well as earning rewards

By selecting the
option on UPS MyChoice,
you reduce the
environmental impact
and earn rewards in
return

claim My Rewards

This is a button
that routes to another page

Note: for every page, there is a default
same header & footer
